WORK EXPERIENCE

Responsive Portfolio Website

- Designed and built a personal portfolio website using HTML, CSS, and Tailwind CSS.
- Showcased projects with a focus on responsiveness and modern UI/UX design principles.

E-commerce Landing Page (React & Tailwind CSS)

- Conducted market research to identify emerging trends and consumer preferences, providing valuable insights for product development and positioning.
- Oversaw the creation of engaging content for various platforms, collaborating with internal teams and external agencies to ensure brand consistency and relevance.

Interactive To-Do App

- Built a to-do list application using JavaScript and React.
- Features include add, delete, and mark tasks as complete.
